METROLLA STEEL LTD., is an *ISO 9001 certified steel company*, with state-of-the-art manufacturing facilities in **Kerala and Pondicherry.**

About Us

Metrolla steel Ltd., is South Indian's fastest growing steel company. Foreseeing quite early, the market's shifting preference to TMT bars, Metrolla established, what was to be **south India's first ever TMT steel plant**. Employing the latest German turbo TMT technology. Leveraging on its core competencies, developed over the years, Metrolla create the truly global TMT rebars brand-**METCON**.

Today with two **ISO 9001** plants with **ISI certified** for both raw material as well as finished rebars, metrolla caters to the growing demand for quality **TMT rebars**, in South India. Displaying an undying penchant for superior quality and customer satisfaction, Metcon has become undisputed market leader.

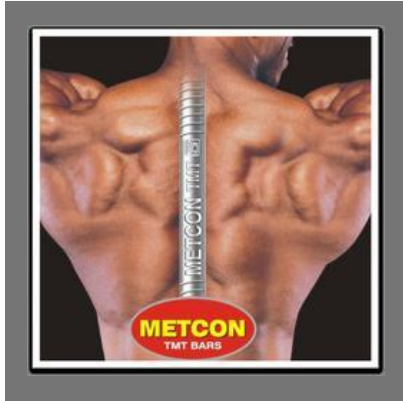

The 250cr company has built a solid reputation over the years, giving single-minded focus on quality.
